

Excellent work last night! Here are some notes for tonight.

Sc. 1.1

Marketplace

Excellent Marketplace work! Keep up the enthusiasm in this lively scene.
Nieman Marcus!

74/2/1 Surrounding of Léïla before exit

This looked great!

Christopher Harrison - Would you mind getting closer to the circle that surrounds Leila? We realize this is a little challenging as you are also moving at the same time towards the exit. Thank you for working to do this!

Sc. 1.3

Please note that there is no longer an offstage gunshot in the production.

p. 165 Pour eux point de grâce / p. 179 - Oui punissons leur forfait!

Bravo Stage Right! The Stage Right group looked great in the rage moments.

p. 179 - Oui punissons leur forfait! - 2nd Rage Moment

VERY IMPORTANT A note for the Stage Left group that rages at Nadir: After Nadir and Leila run towards each other and are pulled back by the Super guards, please XDS for a 2nd time towards Nadir as if to attack him. This action didn't happen last night. Please match the intensity of the first time that you rushed towards Nadir. Thank you!
