Hi friends: For balance purposes, we'd like to make sure we get to the following arrangement for the "red sea" moment in ***the second time through Bella vita***. I'm aware it will take a bit of moving around, but please get to these sides:

Stom

Moy

Resendez

DSR- Mata, Flores

SL-

Huffaker

Nunez

Collier

Bittick

DSL- Goodnuff (when you re-enter with Hancock, stay on the SL side), Crews

Thanks!
